Sky Recruitment Solutions and Advance LED Lighting Solutions Renew Exclusive Agreement After 10+ Years of Partnership.

In a move that underscores a decade-long partnership, Sky Recruitment Solutions and Burton-based Advance LED Lighting Solutions have recently renewed their 'sole supply' exclusive agreement.

This continued collaboration highlights the enduring strengths of their relationship and the mutual trust built over more than ten years of working together. Both companies have benefited from this strategic partnership, with a shared commitment to excellence and growth. The renewal signals a new phase of this alliance, with the aim of further success in the years to come.

A Decade of Trust and Success in Derbyshire

Midlands and Yorkshire based Sky Recruitment Solutions has built a strong reputation as a leading recruitment agency, renowned for its dedication to finding the right talent for its clients.

The company's comprehensive understanding of the industry, combined with a robust network of candidates, has made it a trusted partner for many businesses. Over the past decade, Sky Recruitment Solutions has successfully provided Advance LED Lighting Solutions with high-quality staffing solutions tailored to meet their specific needs.

Advance LED Lighting Solutions, a prominent provider of innovative, energy efficient LED lighting solutions into the retail, commercial and industrial sectors, has greatly benefited from this collaboration. The company has relied on Sky Recruitment Solutions to fulfil its workforce requirements efficiently, enabling them to concentrate on their core mission of delivering cutting-edge LED technologies.

“We have been working with Sky Recruitment Solutions on a sole supply basis for a number of years now, for all our temporary staffing needs. We have found their ability to supply good quality staff for the right positions invaluable to our business. The team are friendly and professional, and always respond very quickly to any requirements that we have. We are looking forward to working in partnership with them for a good number of years to come.”

~ Mike Stonebridge (Managing Director, Advance LED Lighting Solutions)

By working closely with Sky Recruitment Solutions, Advance LED Lighting Solutions has consistently been able to bring in skilled professionals who have contributed to the company's success.

Recent Success Story

One of the standout achievements from this partnership is the recent permanent placement of a candidate at Advance LED Lighting Solutions. Initially introduced through Sky Recruitment Solutions on a temporary basis, the candidate quickly demonstrated their value, aligning with the company's goals and culture. Recognising the candidate's potential and contributions, Advance LED Lighting Solutions decided to offer them a permanent position. This success story exemplifies how the partnership not only addresses immediate staffing needs, but also provides lasting career opportunities and supports the long-term growth of both the candidate and the company.

Looking to the Future

With the renewal of the 'sole supply' exclusive agreement, Sky Recruitment Solutions and Advance LED Lighting Solutions are set to build on their past successes and continue their collaboration into the future. The partnership will focus on meeting evolving business needs and exploring new opportunities for growth. Both companies are committed to maintaining the high standards that have characterised their relationship over the last decade.

“We’re absolutely thrilled to renew our sole supply agreement with Advance LED Lighting. Having worked with Advance for over 10 years, this collaboration reflects the consistent level of service and the quality of personnel we have maintained throughout our longstanding partnership.

Temporary recruitment has provided Advance with both flexibility and the chance to offer local talent an opportunity to showcase their skills, leading to permanent employment.

We’re excited to continue working with Mike, Rich, and the team to meet all their staffing needs and help ensure the business operates at peak efficiency.”
